## IMPORTANT NOTICE!!!!!!!!!!!!

Beginning September ALL painting classes will take place in the Bob Gray Gallery. The King Gallery will be used for additional pottery classes and include new classes such as stone carving, wood carving, stained glass, jewelry, photography, photoshop, etc. This past March, the board unanimously approved a proposal presented by AnnaMarie Goossens, Pottery Studio Manager, to increase and diversify classes offered by the Beach Art Center. This is an exciting opportunity to bring in other talented artists and different media that will enhance our current operation.

**PLEASE** do not arrive more than 15 minutes early for your scheduled class. This will allow the class that is in progress to properly clean and pack up their belongings without feeling imposed upon.

**Thank you in advance for your cooperation.**
