

## COMMUNITY SPONSORSHIP OPPORTUNITY

### Beach Art Center “Creative Kids Summer Camp” Program - June 5 – July 28, 2023

We are offering Camp Program Sponsorship opportunities for our 2023 “Creative Kids Summer Camp” program. YOU make it possible for the Beach Art Center to create these fun and enriching learning opportunities for children in our greater community. Our student campers and parents come from area beaches as well as Belleair, Seminole, Largo, and Clearwater. This year we plan to serve 200 children!

Your support of \$500, \$1,000, \$2,500 or more will include the attached benefits to your business and provide us with the funds to cover our camp expenses, supplies, and pay our amazing artist-instructors who work so hard to make sure our campers get the best experience possible.

A more visible Beach Art Center adds a lot of value to the entire community in terms of driving new residents and visitors to our shores. The Beach Art Center has been “bringing us together with ART since 1978”, and community-minded businesses like YOU are one of the key reasons we are still growing strong today!

Thank you for your consideration. Camp is just around the corner and parents are researching their camp options now. Our camp program information is online and we’re ready to add your business information to our website as a Camp Sponsor. To see the creative camp sessions we have planned for this summer, go to our website here: [www.beachartcenter.org/kids-camp](http://www.beachartcenter.org/kids-camp)

Let me know if I can answer any questions or provide more information. I'm happy to discuss over the phone or we can arrange to meet in person if you like.

Thanks again for your interest in helping us keep art and creativity in our community!

Sincerely,
