

## COMMUNITY SPONSORSHIP OPPORTUNITY

### **Beach Art Center “Creative Kids Summer Camp” Program - June 6 – August 5, 2022**

We are offering 4 Camp Program Sponsorship opportunities for our 2022 “Creative Kids Summer Camp” program. YOU make it possible for the Beach Art Center to create these fun and enriching learning opportunities for children in our greater community. Our student campers and parents come from area beaches as well as Belleair, Seminole, Largo, and Clearwater. This year we have redesigned our program allowing us to serve up to 244 children - more kids than ever before!

Your support of \$2,500/\$5,000 will include the following benefits to your business, and provide us with the funds to cover our camp expenses and pay our amazing artist-instructors who work so hard to make sure our campers get the best experience possible. A more visible Beach Arts Center adds a lot of value to the entire community in terms of driving new residents and visitors to our shores. The Beach Art Center has been bringing us together with ART since 1978, and community-minded businesses like YOU are one of the key reasons we are still growing strong today!

Thank you for your consideration. Camp is just around the corner and parents are researching camp options now! Our camp program information is online now and we’re ready to add your business information to our website as a Camp Sponsor. See our program information here: [www.beachartcenter.org/kids-camp](http://www.beachartcenter.org/kids-camp).
